

Dear Austin Independent School District Parents/Guardians and Students,

We hope that this email finds you and your family safe, healthy and well. We hope that you all are coping with our "new normal" that has come with the evolving Covid-19 situation. As a member of the Student Health Services team, we are reaching out to check-in with our school families.

Please know that the Student Health Services staff are working and are available to help you and your family. For any questions or concerns, you may contact us by replying to this email, clicking on the link below, or scanning the QR code below. (Scan the code with the camera on your cell phone.) If you are in need of your child's medication that is currently at his/her campus, please include that information in your message to us.

For your convenience, below are some helpful AISD and Student Health Services links as well as an attached informative document with resources available within our community. Please keep in mind that since this is a rapidly changing situation, there may be updates to the information within these links.

Again, please let us know how we can help you and your family by sending us an email, or by using the link or QR code above with any questions or concerns that you may have.

Stay safe and healthy!

Thank you,

Your Ascension Seton/ AISD Student Health Service Team
